

# The Fate of Long Island's Horse Industry begins with YOU!

**The American Horse Council is launching its largest-ever survey of the state of the U. S. Equine Industry, that will determine the size, scope, economic impact, strengths and needs of our beloved Horse Industry.**

**WE URGE EVERYONE TO PLEASE FILL OUT THE SURVEY!**

**SURVEY IS OPEN NOW THROUGH SEPT. 29<sup>th</sup> PLEASE COMPLETE THE SURVEY TODAY**

**HORSE OWNER SURVEY**

**HORSE INDUSTRY SUPPLIER STUDY**

**AMERICAN  
HORSE COUNCIL**

This project is operated by the American Horse Council which is a non government organization- the survey is anonymous, safe to respond to and data is **NOT** shared.

In addition to a national report, funding has been raised to analyze the Long Island industry This Long Island-specific **BREAK OUT REPORT** will update the state of the Long Island Horse Industry and will determine the contribution it makes to our society (economic impact, employment, preservation of green space- among the many benefits). This data can be used to advocate for horse interests, assist with zoning issues, support access to trails and public lands, operation of commercial riding facilities and address the needs of the industry, etc.

## IF YOU LOVE HORSES...

Equestrian Life, Stables, Farms, Trails, Shows, Clinics, Riding Programs, Boarding Stables, Summer Camps, Trails and Open Spaces, **NOW** is the time to participate.

**SO PLEASE RESPOND TODAY! THE EQUESTRIAN INDUSTRY NEEDS TO HAVE  
A UNIFIED VOICE THAT IS HEARD AND IS BASED ON FACT AND DATA.**
